1 The preliminaries which have to be adopted under sec 60 of the Mdl Rgn have been properly complied with

P & D

2 From the President's letter it is seen that objection petitions were received from the various sections given notice and that all of them have been considered by the Mdl and finally resolved that the tax should be levied but the petitions have not been sent up with the proposals as required by

3 of the 14 Mdl councillors present on the day of the meeting on 25/8/28. Seven voted for, five against and one neutral

If this was so necessary he would certainly have said so.

4 The Deputy commr has not furnished his opinion, as to the necessity or otherwise of the tax in the municipality. If approved this will be called for along with the objection petitions

5 But the President states that the levy of the tax would bring in an income of Rs 30000/- to the municipality

5) The Dc's Opinion as to the necessity of the Steps pointing with a report thereon may perhaps be called for before Water Supply & Electric lighting have been arranged for & Strengthening of finances does not seem undesirable

6) The Grounds of objection are mentioned in para 4 of the President's letter They are

1 The Prof Tax will be a burden on the people in View of the proposed levy of Water and lighting taxes

2 The Tax should be limited to persons getting an income of Rs 50 & above per mensem

3 The Municipality should provide facilities for fresh avenues of income to justify the levy of the Tax

These objections are unanswerable & the Municipality have Resolved to levy the Tax, which is expected to bring a Revenue of Rs 3000 per annum

7 The Resolution of the Municipality may be appd

To

Ranga Rao Esqr B A., B L
The Secretary to the Government of His Highness
the Maharaja of Mysore BANGALORE
( Through the Deputy Com Tumkur Distt Tumkur)

Sir,

1 Adverting to Government order No L 5872-73/ M1 1 -2-6 dated 26th January 1924 sanctioning the abolition of th levy of professional tax in this municipality originally sanctioned in their order No L 4840 M1 73-20-7 dated 23rd February 1922 I have the honour to state that it was proposed to renew the levy of the said tax in the light of the wordings of the amended Municipal Regulation as per clause 54(X) and according to the old resolution Re that proper proposal ~~proposal~~ must be made for its levy ( old resolution apended)

2 Hence, the council in their general meeting held on 2nd July 1928 having considered the full aspect of the question resolved to issue notices callin for objections

3 Accordingly notices were duly printed with necessary bye-laws and were widely distributed and published, according ~~to the rules~~ rules on 2-7-1928 8 objection petitions were received from the various sections of the public such as merchants weavers tailors officials and lawyers etc

4 The grounds of objections set forth by them are that the present imposition of the professional tax would become a burden on them in the light of the water tax and lighting tax which the council is going to levy It could not be said as to how the present proposed levy which applies only to persons within a specified income would affect the major

popula[illegible] of the town in the way as it would be by the imposition of [illegible] lighting taxes which are more or less considered to be one of special taxes not to bring any income to the Municipality but is imposed only after additional facilities such as water supply and lighting are given Each tax has to be considered separately and hence they can neither be taken along with the other tax nor they can be construed in lieu of the other

5 Other grounds namely , that the tax should be limited to persons drawing Rs 50/- or more per mensem and that the Municipality should provide facilities for fresh avenues of income to justify their present levy are the things which the council cannot consider as such , they would be contrary to the Regulation

6 All these objections petitions were duly considered by the Municipal council in their ~~special~~ general meeting held on 25th August 1928, and after good discussion it was finally resolved that the tax should be levied

7 A copy of the resolution of the Municipal Council is enclosed herein This tax may bring to the Municipality a sum of about Rs, 3000/- and this is necessary in view of the interest of the council

8 All the measures that are to be adopted as per section 60 of the Municipalit Regulation are properly complied with Hence I request you to kindly place the above matter before Government and renew sanction for the levy of professional tax from the current year from October 1928

9 A copy of notification published along with byelaws framed and sanctioned already are enclosed herein for kind perusal

I have the honour to be,
Sir,
Your Most Obedient Servant,
